

Tassie Tour 2026 Update # 1

TASSIE TOUR UPDATE #1

12 MARCH 2025

Dear Rally participants,

Congratulations on securing your spot and welcome to the first update for the 2026 Tassie Tour

The first order of business for you now is to book your accommodation asap as Tasmania appears to be the place to holiday and the committee have found that some accommodation places are already starting to fill.

To assist you in booking accommodation for the Tour you will find attached a list of recommended accommodation places and dates for each area we visit. We have also included a full list of tour participants (Listed in State order) in case you want to join up with others to share accommodation or travelling costs.

Please note that some accommodation places are offering us discount rates. There will be a booking code or similar on the accommodation list if this is the case. Make sure you quote this code when booking to claim the discount.

In addition, we have arranged for some locations to reserve rooms for the Tassie Tour for the next 4 weeks. These are detailed on the accommodation list. Please mention you are part of the Tassie Tour motorcycle rally when booking or they will likely say they have no rooms available. We recommend booking by phone if possible to avoid confusion.

If you have been on previous tours you will recognise some of the stops we are making, however we have also put in quite a few different ride routes for the 2026 tour. We have also tried to stay 2 nights at each location – This means there will be time for plenty of sightseeing or resting on alternate days if you want to miss 1 or 2 of the organised rides during the tour. (There will still be rides every day for those that want them so don't worry).

Finally, during the last tour some people mentioned that it would be great if they received the tour route prior to the tour starting to allow for trip planning, We will send the detailed route out once it is finalised.

safe riding

Secretary

On behalf of the Tassie Tour Committee

Tassie Tour 2026 – Accommodation list

On the following pages is a list of possible accommodation places at each of the sites we will be visiting on the Tassie Tour along with the dates required at each site:

Quick summary of dates and locations:

Ulverstone - Saturday 7th and Sunday 8th March 2026

Stanley - Monday 9th and Tuesday 10th March 2026

Strahan – Wednesday 11th and Thursday 12th March 2026

Hobart – Friday 13th and Saturday 14th March 2026

Bicheno – Sunday 15th March 2026

Launceston (Grindelwald) – Monday 16th March and Tuesday 17th March 2026

Ulverstone - Wednesday 18th March 2026

We strongly recommend you book your accommodation ASAP as Tasmania has become a very popular tourist destination and many sites already have bookings for March 2026 when the tour is on.

In addition, many places have blocked out accommodation for our tour and offered us discount pricing which is only available for a very limited time (usually 1 month) so if you wait too long you may miss out. Given this you will need to book by phone for most places as you need to tell them you are with the Tassie Tour to unlock the rooms.

Sadly, due to the tourism boom in Tasmania the prices of many accommodation locations have increased somewhat. We have tried to negotiate the most favourable rates for each area but obviously all rooms are on a first come first served basis so the earlier you book the more chance you have of booking the budget options. We have tried to offer a range of prices and types of accommodation so hopefully you will find something to your liking.

You are obviously welcome to book alternative accommodation not on our list or stay with friends or relatives, but please try and stay reasonably close by so our luggage truck doesn't have too far to go to pick up your luggage each time we move.

If you haven't booked your tickets for the Spirit of Tasmania yet we would recommend you also do that ASAP as this is also filling fast and as you may have heard the new Spirit of Tasmania boats have had a "minor setback" so won't be running by then.

If you have any questions please feel free to drop us an email.

Ulverstone - Saturday 7th and Sunday 8th March 2026 then Wednesday 18th March 2026

(Don't forget we go to Ulverstone on two separate occasions at the beginning and end of the tour so remember to book for Wednesday 18th March as well)

Launceston – Monday 16th March and Tuesday 17th March 2026

Rather than stay in Launceston itself we have based the tour at Grindelwald (Tamar Valley Resort) which is a lovely replica Swiss Village just 20 minutes north of Launceston. There should be sufficient accommodation to fit everyone in at the site and they have blocked out all the accommodation for our tour.

Please book early as rooms are only being held for 1 month after which they will be opened up for anyone else to book. We think this site is very good value particularly as the prices they have offered us below include a full cooked breakfast each day for 2 guests.

Obviously you are welcome to book elsewhere if you like but please be aware the nearest accommodation is probably Launceston and we believe you will be missing out on a wonderful experience at this site and obviously we would like to keep everyone together for socialising.
